

About us

Established in 1975, the Greek International Business Association - SEVE is the national voice for Greek export companies, dedicated exclusively to representing the interests of the Greek export community.

SEVE's members include manufacturers, distributors and service providers of a broad spectrum of products and services.

SEVE works side - by - side with the Greek authorities as well as with numerous international organizations engaged in global commerce.

What we do

SINCE 1975, SEVE

- Is the premier exporters' organization representing Greek companies engaged in global trade
- Represents Greek export companies on export trade policy issues
- Assists Greek export companies' compliance by providing information and supporting to their efforts for internationalization
- Is accredited by the International Association of Trade Training Organisations - IATTO and plays a crucial role in providing education through specialized seminars on export topics
- Implements European and International projects in collaboration with foreign institutions so as to enhance SMEs
- Locates and records potential partners and customers
- Provides targeted information on product demand and collaborations
- Matches foreign market needs with local offers and supplies
- Organizes B2B events around the world

**No1 Export
Association
in Greece!**
